

Active Seat

vari®

The Active Seat delivers an upscale touch with a bent plywood base and a wider cushioned seat. Designed to engage your leg, back, and core muscles when sitting or leaning, it helps add more movement to your day. A low seatback profile means better posture. With its articulating pedestal and ability to raise to up to 32.75", you can rock or stretch throughout the day.

- Fully Assembled, No Installation Needed
- Supports up to 250 lb (113.4 kg)
- Dynamic Range of Motion at Any Height
- Air-Lift Piston Mechanism
- Bent Plywood Seat
