

Table 48x24

The Table 48x24 gives anyone a spacious workstation, with plenty of room for a dual-monitor setup, keyboard, mouse, and more. It can be assembled in minutes and used as an individual workstation or paired with another desk as a return for more space. This desk also features legs that can link multiple desks together through our QuickGrip hand-bolt system, easily creating a seamless benching application of workstations.

- Can Link Multiple Desks for Benching Configuration
- Assembles Quickly and Easily
- Durable Laminate Finish
- Supports up to 300 lb (136 kg)
